

My name is Laura and I've been part of the staff team for 13 years. Since joining, I've had a son, who also attended Rainbow and is now in the final year of Junior school.

I previously trained as a hairdresser before deciding childcare was my vocation in life...I haven't looked back!

I gained my early years qualifications in childcare & development in 2003 and have worked in day-care and school settings. I also have experience in running various school & holiday clubs.

I love being part of the Rainbow team and seeing all the children come through our doors and flourish, during their time with us, it's truly a rewarding job!

About me:

I enjoy cooking, drawing, arts & crafts and listening to music. As a family we love going on walks and looking after our Tortoise Ziggy.
